Application for Breeding Dog Registration

Or

Upgrade to Breeding Dog Registration

This application is for all ALA entire dogs that have completed their required tests and are eligible for breeding. If your dog does not meet these requirements, you should use the ALA Desexed or Entire Dog Application. (Upgrade to Breeding Dog Registration Application must include copy of original ALA Registration or Recording Certificate and original must be returned by post). The Certificates of Registration will be delivered via email, except in instances where you have not provided us with an email address, you will receive the registration certificates by post at an additional charge of \$5.

Application is in 2 Parts:

Part 1: This PDF document which is the Directions to complete application.

Part 2: Excel Application Form (separate attachment)

All Entire Puppies/Dogs must have either Micro-chip or Tattoo Identification. Please name attachments using your official kennel abbreviated prefix, followed by first 3 letters of dogs name and abbreviations for type of attachment in **bold** as follows; for all attachments listed below; Example for the dog Cloudcatcher Lulu, would be cclulpay, cclulped, cclulhip, ccluldna, ccluleye, cclulrego, cclulpic, ccexcel, cclulhth.

This is not a requirement but would be much appreciated, in order to provide you with a more efficient service.

Directions for completing the excel application

1. In the excel forms; row 1 is the information needed, row 2 is an example and row 3 is where you begin entering your information .
2. All fields must have something entered except for "Date Issued". Leave this blank, this information will be completed by the registrar.. Fields that are not applicable, put n/a.
3. Name of Dog including Kennel prefix and spaces, is limited to 30 characters.
4. It is very important that you must have date in the format we are using: dd/mm/yyyy, examples 27/1/1977 or 5/4/2006, do not use zero in front of day or month.
5. ALA Rego no, if you do not have a rego number, enter E.
6. For owner, enter your ALA kennel prefix.
7. For Breeder, use kennel prefix of the breeder of dog.
8. Enter what you think is correct but, we will make the final decision on grading from the pedigrees provided, so provide breeds for all dogs and as much detail as possible.
9. Label photo with your kennel abbreviation, followed by first 3 letters of the dogs name . Example for Cloudcatcher Spin the Dice photo would be "ccspipic"
10. If you have done the DNA prcd-PRA eye test; you will list either "carrier, clear or affected". If you have done the Ophthalmic eye exam use the month and year it was done, list P=Passed or F=Failed as an example if passed, "exam 12/06 P." If you have done both tests, list the prcd-PRA eye test result first.
11. DNA=from your certificate of DNA analysis, for Labradoodles begins with LAD.
12. Hip score, does not matter what type of method used, the score will be explanatory. For BVA hips list as 6+1=7 and elbows E0=0 or Penn Hip .57+.44 If you have done both, list BVA first.
13. Genotype, list dogs genotype if you have tested for this or are 100% sure, otherwise list n/a.
14. Titles are from pedigrees that are AKC, ANKC, etc registered
15. Obedience titles
16. Imported: List what country your dog was imported from.
17. Certifications are for other health test certificates you have, eg von Willebrand
18. Notes: for your special notations, especially where the litter that this dog is out of, has not yet been processed, due to backlog.
19. Please do not abbreviate sex or size. For example please list as Male, Female, Standard, Medium an miniature.
